

Consent form for unaccompanied adolescent customers

I, signatory, _____,

born on _____ in _____,
resident in (street/house number/postcode/town) _____

nationality: _____

Phone: _____ Mobile: _____

hereby give my daughter/son _____,

born on _____, my consent for an unaccompanied stay at the Premier Inn
Hotel _____. The stay at the hotel will be from _____ to
_____.

As the legal guardian of the above-named person, I am aware that Premier Inn Hotels are not an establishment designed to look after unaccompanied adolescent customers.

Continuous supervision is not guaranteed. I hereby declare that I will indemnify the hotel against any claims resulting from a breach of duty of supervision. This also applies if these claims are asserted against the hotel by third parties.

The hotel is not responsible – unless it is the addressee of the relevant standards – for compliance with the provisions of the law on the protection of young people in public, e.g. with regard to night-time quiet, consumption of intoxicating substances etc., or the relevant national law in the country of the hotel. I instructed my daughter/son about the relevant rules and prohibitions and she/he will observe them without being asked to do so. We are also aware that certain activities in the hotel are subject to age restrictions.

I also undertake to be liable as a principal for any liabilities incurred by my daughter/son (e.g. sales in the bar or shop area etc.) towards the hotel. I confirm that the necessary consent of another legal guardian, if applicable, for the unaccompanied stay of the above-named adolescent is also available.
